# Take Action for Wildlife

## Plymouth

Join Devon Wildlife Trust's Urban Ranger, Nick Purdew & Devon Biodiversity Records Centre's (DBRC) Community Ecologist, Jess Smallcombe, for a programme of free practical conservation, citizen science & ecological training events around Plymouth.

## July

**Wednesday 14th July, 9:30am - 1:30pm:  
Butterfly Survey at Central Park:**

Join us looking for the rare White-letter hairstreak butterfly, learn how to identify & survey butterfly species & find out how you can help these insects at home.

**Booking essential** - go to [greenmindsplymouth.com/events](https://greenmindsplymouth.com/events) to book your space & receive event details.

**Wednesday 21st July, 10am - 12pm:  
Butterflies, Bees & Other Insects at Bircham Valley Local Nature Reserve:**

Discover the insect life in Bircham Valley & explore the wildflower meadows.

**Booking essential** - go to [greenmindsplymouth.com/events](https://greenmindsplymouth.com/events) to book your space & receive event details.

## August

**Friday 6th August, 11am - 9pm:  
Plymouth's Festival of Nature at Poole Farm, Derriford Community Park:**

Find us helping with wildlife surveys at Plymouth's Festival of Nature hosted by Poole Farm!

**Booking essential** - find out more & book your place at [tinyurl.com/s8eumkyy](https://tinyurl.com/s8eumkyy).

**Saturday 21st August, 8:30pm - 11pm:  
Moth Survey at Poole Farm, Derriford Community Park:**

Join us with Devon Moth Group to explore the amazing world of moths! Find out how to setup light traps, identify moths & learn about the important role they play & how you can help them at home.

**Booking essential** - go to [greenmindsplymouth.com/events](https://greenmindsplymouth.com/events) to book your space & receive event details.
