# Take Action for Wildlife

Plymouth

Join Devon Wildlife Trust's Urban Ranger, Nick Purdew, & Devon Biodiversity Records Centre's (DBRC) Community Ecologist, Jess Smallcombe, for a programme of free practical conservation, citizen science & ecological training events around Plymouth.

## September

Friday 3rd September, 8pm - 11:30pm:  
Moth Survey & Bat Walk at Central Park

Join us with Devon Moth Group to explore the nocturnal life in Central Park!

**Booking essential** - find out more & book your place at [www.tinyurl.com/cpmothsurvey](http://www.tinyurl.com/cpmothsurvey).

Wednesday 22nd September, 6pm - 7pm:  
Introduction to habitats in Plymouth Webinar

Find out about the plants & wildlife that make up the variety of habitats found in Plymouth & how they can be managed. Learn about how you can help nature at home & in your local community.

**Booking essential** - find out more & book your place at [www.tinyurl.com/plymhabitatswebinar](http://www.tinyurl.com/plymhabitatswebinar)

## October

Friday 8th October, 10am - 2pm:  
Shoresearch Training Day at Wembury Beach

Join Devon Wildlife Trust's Wembury Marine Centre and Green Minds for a Shoresearch training day - explore the coast, discover wildlife & take part in this national citizen science survey!

**Booking essential** - find out more & book your place at [www.tinyurl.com/gmshoresearchtraining](http://www.tinyurl.com/gmshoresearchtraining)

Wednesday 27th October, 11am - 9pm:  
Plymouth's Festival of Nature at Poole Farm, Derriford Community Park

Find us helping with wildlife surveys at Plymouth's Festival of Nature hosted by Poole Farm!

**Booking essential** - find out more & book your place at [www.tinyurl.com/s8eumkyy](http://www.tinyurl.com/s8eumkyy).
